2. The post
3. Read it all
4. Video
5. Autoplay

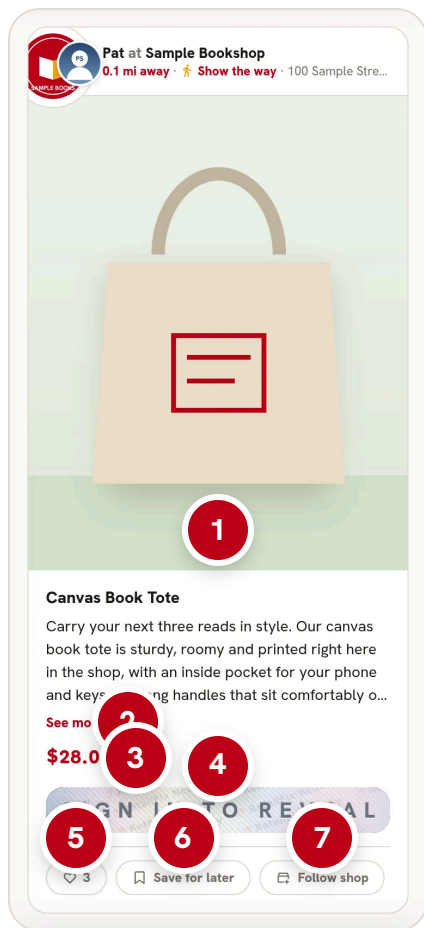

1 Who posted it

The top of a post shows the shop, and who posted it **1**. Then how far away it is **2**, **Show the way** **3**, and the address. Tap the top of the post to open the shop.

2 The post

- Swipe the photos. The dots **1** show how many there are.
- **See more** **2** opens long text.
- The price **3**. On sale, the old price is crossed out.
- A post with an offer has a scratch card **4**.
- Like **5**, **Save for later** **6** and **Follow shop** **7**. You need to be signed in for these.
- Some posts have a **Call** button to phone the shop.

4 Video

A video plays on its own, with the sound off, once most of it is on screen for 3 seconds. Tap it to show the controls:

- Play and pause **1**
- Back 10 seconds **2** and forward 10 seconds **3**
- The bar **4**, to move through it
- Autoplay on or off **5**
- Full screen **6**
- Sound on or off **7**

5 Autoplay

Turning autoplay off says **Videos won't play on their own.** Your choice is remembered, on your account when you're signed in.

Signed out, you can watch 10 videos on a device. After that, **Sign in to keep watching.** Signed in, there's no limit.
